

# Gladman scores four

RHI Gladman netted four times in Hampstead Women's emphatic 7-2 win over Islington Borough in the opening round of the John Greenacre Memorial Trophy on Sunday.

Cat Forbes opened the scoring and Sefryn Penrose bagged her first goal for 10 years when she scored soon afterwards in a game played on Astropitch because of the bad weather. Gladman netted in the 30th minute with a corner that curled straight into the roof of the net, then repeated the feat 12 minutes later, before scoring from the spot soon after.

Clare Arnold scored the sixth before Islington hit back with a late brace. Gladman got her seventh in the final minutes.
