Saturday's clash against men Blue Square South opponents at Vale Farm seeking to reach the first round for the first time under their current manager.

But instead they found themselves on the wrong end of a slightly undeserved hammering.

## Hampstead second

HAMPSTEAD Women's unbeaten record remains intact after they beat neighbours Katabella 2-1 in Saturday's Division Two derby.

The gutsy win, Hampstead's fifth in the league this season, lifts them two points above Katabella and with 15 points already in the bag, now lie second in the table.

Hampstead manager John Baker said: "It wasn't pretty football in the first half. But to the girls' credit they responded wonderfully and we pulled it together to take the points."

Katabella sat a point ahead of Hampstead in the league going into the match and this was

reflected in a closely-fought first half of few chances.

down 25 yards out and from the resulting free-kick Sole scored with an inch-perfect shot.

More Hendon possession followed, but with the final ball too often wayward, Woking netted on the stroke of half-time. Sole fed Harry Arter on the break, and he

reflected in a closely-fought first half of few chances.

The second half saw Hampstead reinvigorated and they took the lead after the instrumental Char Blackmore's through ball found its way to Claire Arnold who put the home side 1-0 up.

Hampstead continued to dominate and made it 2-0 when Cat Forbes, who was returning from a lengthy lay-off, finished Sheri Ben Atar's defence-splitting pass.

Despite the home team's dominance, Katabella's hard work was rewarded with a 91st minute consolation goal from a superbly taken Helen Fraser free-kick.

Parker was dismissed for a foul in the area. A rare moment of fortune for Hendon saw Sole's resulting penalty strike the foot of the post.

Even at 4-0 down, Hendon continued to battle, and when O'Sullivan burst through the defence only to be tumbled by Ross Worner, they were awarded a penalty which O'Sullivan thumped against the crossbar.

In the closing minutes Arter picked up a pass from Medley to score Woking's fifth.

## Town clinch late draw

KENTISH Town brought their losing run to a halt when they bagged a late brace to snatch an unlikely 2-2 draw against Biggleswade United.

After last week's heavy defeat to Chalfont St Peter, Town went into their home clash knowing that a defeat would leave them rooted to the foot of the table.

Town started the game in a typically edgy fashion and went

division North Kensington 13-0. The Under-14s beat Harrow St Mary's 3-2 and the Under-15s bagged their second Premiership scalp of the season when they beat Hanwell Town 3-1.

But the Under-11s lost 2-1 to St Joseph's and the Under-16s went down 3-2 to Pinner Albion.

Only two matches took place in the Camden and Islington League. The Under-10s drew 1-1 with Angel Islington and the Under-9s lost 2-0 to Westway.

behind in the 36th minute to a free-kick from United captain Emmanuel Langlais.

The hosts looked done for when Sean Murray netted a second for United in the 80th minute.

But Town woke up and returning centre-back Joe O'Connor got a goal back when he poked home off an 84th minute Ossie Barkat free-kick. Two minutes later Nathan Knox equalised.
